

RUSS CLAIM BETTER OF FIGHTING IN EAST

RIGHT WING CROSSES MOUNTAINS— THREATENS AUSTRO-GERMAN REAR

Armies Wage Series of Battles Which Will Decide Whether the Czar's Forces Will Be Compelled to Evacuate Part of Galicia—London Believes Bulgaria Will Remain Neutral.

London, Feb. 10.—(10:40 p. m.)—Under mid-winter conditions the Russian and Austro-German armies are fighting another series of battles for possession of the Carpathian passes which will decide whether the Russian troops will commence another invasion of Hungary or be compelled to evacuate part of Galicia as they have done Bukovina.

The Russians have issued two official reports of the operations, according to which they have thus far had all the better of the fighting. Their right wing at any rate, has succeeded in crossing the mountains, for it has been engaged in a battle near Bartfeld and Svidnik, which are on the Hungarian side of the Carpathians, and on the edge of the plains which sweep down to Budapest.

Threatens Austro-German Rear. This army too threatens the rear of the Austro-Germans who, having entered Lupkow Pass to the east, have suffered severe losses in a battle with another Russian force which was waiting for them there.

The hardest fighting however, has occurred on the Galician side of the Turokoka Pass, where, Sunday, the Austro-Germans captured the heights in the region of Kozlowka, only to be driven from them after a bayonet fight which the Russian report describes as being "without precedent in history."

This battle is said by correspondents to have been terrific. The Germans brought up their best reinforcements to aid the Austrian army and themselves led the attack. Backed by heavy artillery they assaulted the Russian position on the heights of Kozlowka, but found themselves under an enfilading fire from the Russians on parallel hills and were cut off from the main German column. They were then attacked by the Russian infantry who drove them back at the point of the bayonet. Attack followed counter-attack until the Russians had regained their old position leaving the slopes, according to the report, "littered with bodies of dead Germans."

The fighting here seems to have been as desperate and sanguinary as that which has occurred before the Warsaw lines during the last week and, so far as can be judged by official and unofficial reports, has been just as unsuccessful for the Germans.

The latter have now assumed the offensive on the southern border of east Prussia and as a result of another important battle is developing in that region. Of the battle in the northern part of east Prussia neither official communication speaks.

Russ Fall Back in Bukovina. At the other extreme end of the line—in Bukovina—the Russians are falling back before superior Austrian forces, but still hold the greater part of that province. From Rome comes the report that the Russians have reached Wloclawek on the lower Vistula, 35 miles southeast of Thorn. If this is correct it suggests that the Russians, who were last reported at Sierpec, have made a move which may enable them to interfere with the transfer of troops from Poland to East Prussia, as Wloclawek is on the railway from Lodz to Thorn.

There has been little or no fighting in Flanders, France or Alsace, although the artillery and airmen continue active. It is believed that the Germans are preparing for another attack on the British line near LaBasse which if successful, would open the door to the French coast, from which the Germans hope to threaten England.

Meanwhile the allies are reported to be making slow progress along the coast of Belgium, the capture of the Great Dune being of considerable advantage as from it almost the entire coast as far as Ostend can be controlled by artillery.

The speeches in the Russian Duma, in which the possession of Constantinople was spoken of as the ambition of the Russian people, have caused little or no discussion here, whereas, a few years ago, such an intimation would have been considered in a different light. While the German loan to Bulgaria is discussed in the German press, though it assured Bulgaria's continued sympathy with the Teutonic allies, it is pointed out in Sofia that the loan was arranged before the war, at a time when there was no expectation that Bulgaria would throw in her lot with the triple entente.

The defeats which Turkey has suffered, according to the viewpoint here, are sufficient to induce Bulgaria to maintain her neutrality.

TO CHAPIN TODAY.

Sheriff Grant Graft and Deputy Ben Andrews expect to go to Chapin this morning to collect taxes for the year from the residents of that vicinity.

CUNARD OFFICIALS ADMIT THAT ORDUNA FLEW A "NEUTRAL FLAG"

Statement is Made After Passengers on British Liner Declared She Flew Stars and Stripes While Passing Through Irish Sea.

New York, Feb. 10.—Officials of the Cunard Steamship company admitted tonight that the Steamer Orduna which arrived in this port from Liverpool today "flew a neutral flag" for a time while she was clearing the Irish coast. This statement was made after a number of passengers on the British liner had declared that for nearly twenty-four hours on January 31st, she flew the stars and stripes while passing through the Irish Sea.

These passengers asserted that the American flag was flying aft, indicating the nationality of the vessel. On behalf of the line a denial was made during the day that the Orduna had flown the flag except at the foremast, it being instructed that it was customary for all ships to do this to indicate the country for which they are bound. Captain Thomas M. Taylor, in command of the Orduna, declined to make any statement. He said he was under orders from the British admiralty not to talk.

The statement given out late today at the offices of the Cunard line simply referred to a neutral flag having been flown but not to specify the nationality. The statement said: "The Orduna left Liverpool flying an English flag at stern and a United States flag, as customary, at the fore. After leaving Bar Lightship all flags were lowered. After leaving Queenstown for about an hour and a half or two hours she did not fly a neutral flag while she was clearing the Irish coast."

TO BEGIN WORK ON CHICAGO'S NEW PASSENGER TERMINAL IN A MONTH

CHICAGO, Feb. 10.—Work on Chicago's new \$65,000,000 Union Passenger terminal will begin within thirty days according to statements made today by J. J. Turner, president of the Union Station company, to Mayor Harrison. The railroad officials promised the mayor to co-operate with the commission on unemployed and engaged only residents of this city on the work, in an effort to discourage idle men from other parts of the country from flocking to Chicago. The first force to be employed will be put to work wrecking the present structure and will not exceed 1,000 men. This will gradually be increased as the work progresses.

COMPROMISE ENDS STRIKE OF ROOSEVELT CHEMICAL WORKERS

Roosevelt, N. J., Feb. 11.—The strike of employees in the two local plants of the American Agriculture Chemical company which has been marked by disorders and bloodshed, was ended today. The men who still remained out, about 500 in number, voted unanimously to accept the proposition of the officials which provides for pay of \$1.80 for a day of ten hours. This is an increase of 20 cents a day over the amount the employees were receiving when they went on strike but is 20 cents less than asked for. The men struck against the reduction of their wages from \$2 to \$1.60 a day. One hundred and fifty of the men returned to work today. The others will report for work tomorrow morning.

TO REBUILD GALESBURG SEWAGE DISPOSAL SYSTEM.

Galesburg, Ill., Feb. 10.—Reconstruction of Galesburg's sewage disposal system at a cost of \$1,000,000 was ordered today by the Illinois State Rivers and Lakes commission after the question had been carefully considered at a public hearing.

The pollution of Cedar Fork, the present sewage outlet, was ordered stopped by 1918 and eight months was allowed the city to prepare the necessary plans for the proposed improvement.

NINE ENTOMBED IN CAVE-IN; EIGHT RESCUED

Terre Haute, Ind., Feb. 10.—Nine men were entombed by a cave-in in a mine near here today. Eight were rescued a few hours after the accident. The other miner is believed to be buried under fifty feet of slate.

RECEIVE LARGE SUPPLY OF HOGS

Sioux City, Iowa, Feb. 10.—The largest supply of hogs ever received at the stock yards for a single day's trade appeared today. Conservative estimates put the receipts at 15,000. This mark exceeds the previous record of 14,454 hogs, established May 29th, 1912 by 646 head.

THREATENS NEGRO CANDIDATE.

Bloomington, Ill., Feb. 10.—Dr. E. G. Covington, colored, a candidate for nomination for city commissioner, today received an anonymous letter threatening him with death unless he withdraws as a candidate.

GOES TO ST. LOUIS.

T. T. Hoffman, late manager of the Woolworth five and ten cent store, has returned from a business trip to Chicago. Mr. Hoffman will report for duty in St. Louis next Monday and the fact that he goes to such a large city speaks well for his ability and advancement.

MAKE EFFORT TO ELECT GRAHAM SPEAKER TODAY

REPUBLICANS ATTEMPT TO MUSTER ENOUGH VOTES TO INSURE CHOICE

Confer With "Dry" and "Administration" Democrats in Interest of Graham's Candidacy—Pace to be Given Tryout if Graham Boom Fails.

Springfield, Ill., Feb. 10.—Determined efforts were being made tonight by Republicans to muster enough votes to elect William J. Graham, Republican of Alton, speaker of the lower house of the legislature tomorrow, when that body resumes balloting in the hope of breaking the deadlock which has tied up the organization of the house for nearly six weeks.

Conferences were held between the Republicans and the "dry" and the "administration" Democrats in the interest of Graham's candidacy. The "dry" Democrats openly declared for Graham by voting for him upon the floor of the house. It was reported that several of the administration men are ready to cast their votes for a Republican and that Graham is being looked upon with favor.

Fearful that the "administration" men would cross the aisle the "wet" Democrats, led by Lee O'Neill Browne spent the day trying to keep their colleagues in line. They proposed and called a conference of all Democrats for the purpose of attempting to agree upon a minority member for the speakership. However, this conference failed to accomplish anything.

Graham was the high man on today's balloting. Should enough "administration" men be won to his support tonight, it was reported that an attempt would be made to elect Graham. With the assistance of "dry" Democratic votes Graham received 59 votes on today's second ballot. His friends estimated tonight that if ten or a dozen "administration" men voted for him tomorrow, enough other votes to elect would be forthcoming.

Five ballots, a total of sixty-two, were taken on the speakership today. There were had at the morning session of the house, which convened at 10 a. m., and recessed at 12:15 p. m., until 4 o'clock this afternoon.

Should the Graham boom fall through tomorrow, it was understood tonight that James Pace of Macomb, a Republican, would be next to receive a tryout. Pace was one of the Republicans who entered a conference but he claimed tonight that he would receive the votes of the seventeen "wets" who have refused to enter a full Republican caucus. It was announced that the seventeen would hold a conference late tonight to consider Pace's candidacy.

Committee Unable to Make Progress. The Democratic committee on committees of the senate was unable to make any progress in the matter of committee selections today and as a consequence, the senate tonight adjourned until tomorrow morning without taking up any business. The committee on committees immediately went into session again. Announcement was made tonight that a playlet will be given in the house of representatives tomorrow afternoon under the auspices of the state pure food commission, illustrating the work of that department. Members of the senate accepted an invitation to attend.

PURCHASE SITE FOR PYTHIAN HOME

Decatur, Ill., Feb. 10.—A committee acting for the Grand Lodge of the Knights of Pythias of Illinois, today closed a deal for forty acres of land for \$13,000, three miles north of Decatur as a site for a home for aged Pythians. The Pythian Orphans Home is located in the suburbs of Decatur and the aged Pythians have been living there.

TO SEND WILHELMINA'S CARGO TO PRIZE COURT

London, Feb. 10.—(6:35 p. m.)—The British foreign office after an inquiry has decided that the cargo of the American Steamship Wilhelmina must go through a prize court. The ship may depart from Falmouth as soon as the cargo is discharged.

MANY ARRESTS MADE.

Chicago, Feb. 10.—Many arrests were made tonight by officers of the state's attorney's office on charges of padding election registration lists. Among those taken in custody were two women. Several of those apprehended were election officers. Frauds are said to have been committed in seven wards. State's Attorney Hoyne said that several police officials were involved in the alleged padding.

CHARGES THAT WILSON INFLUENCED COMMISSION

Washington, Feb. 10.—Representative Good of Iowa, Republican, threw the house into a tempest of debate today by declaring President Wilson had influenced the interstate commerce commission in its decision granting freight rate increases. Representatives Moss of Ohio and Gordon of West Virginia defended the president against the charge.

War News Summarized

While the western theatre of the war is preserving a somewhat unusual quiet, the eastern zone presents the picture of vast armies aligned against each other and thousands upon thousands of men struggling desperately, sometimes at the point of the bayonet, for supremacy and the capture of a strategic position position which might mean the turning point in the campaign.

In the Carpathians, where the troops are fighting amid ice and snow, the battle which has been going on for days, is described as one of the fiercest of the war, with losses amounting into the thousands.

In this territory the Austrians have been augmented by 300,000 Germans and German officers are reported to be directing the movement, which in aggressiveness has not been overshadowed by any previous operations.

Similarly in Poland, the Germans have been striving with might and main to break the Russian lines and reach Warsaw. Berlin reports that a great German victory is looked for from day to day and that a concentrated movement against some particular point in the east is confidently awaited.

The British government has taken action against the American Steamer Wilhelmina bound from New York for Germany with food supplies. The Wilhelmina is at Falmouth and her cargo has been ordered into a prize court by the British foreign office. The steamer may depart after the discharge of her cargo.

The British house of commons has passed the army estimates of 3,000,000 men.

The Russian duma and council of the empire have passed the budget.

Berlin officially announced that Czernowitz, capital of Bukovina, has been abandoned by the Russians owing to the successes of the Austro-German forces in the Austrian crown land.

The German Socialists at a meeting have approved the action of the members of their party in the Reichstag in voting in favor of the German war credit.

A resolution adopted declaring the defence of the fatherland should be undertaken by Socialist workmen.

BAKERS TO ASK FOR NINETY DAY EMBARGO ON WHEAT EXPORTATION

CHICAGO, Feb. 10.—Chicago bakers will co-operate with the National Bakers' association in demanding that congress place a ninety day embargo on shipments of wheat from American ports. Reports from large cities throughout the country indicate that the bakery business has materially decreased since the price of flour has been raised. In Chicago 360 bakers went out of business in the month of January, according to B. H. Dahlheimer, president of the Chicago Master Bakers' association, and similar reports are received from other large cities.

CONCENTRATE ACTIVITIES ON MASSACHUSETTS

Prohibition Leaders Start Preparations for Election in That State Next Fall.

Boston, Feb. 9.—As a preliminary to a general campaign for national prohibition in 1916 the national committee of the Prohibition party has decided to concentrate its activities upon Massachusetts this year according to an announcement made by the state committee of that party today. The prohibition leaders already have started preparations for the election in this state next fall. A fund of \$10,000 will be contributed by the state and national committee is to be used to carry on the work in Massachusetts.

HOTEL FIRE DRIVES GUESTS TO STREET

Waterloo, Iowa, Feb. 10.—Fire broke out in the basement of the Martin Hotel tonight, driving the guests into the street in their night clothing. Firemen were able to prevent the blaze from spreading to other parts of the building and little damage was caused by fire, although smoke and water caused heavy damage to the office.

INVESTIGATE MINE EXPLOSION.

Peoria, Feb. 10.—Two separate investigations are under way to determine the cause of the explosion last night at the Collier Co-operative mine at South Bartonville. State and county officials today began the task of placing the blame but only a short session was held when adjournment was taken until tomorrow.

CORONER ECKARD OPENED HIS INVESTIGATION TODAY

DUVAL WEST IS CHOSEN AS PRESIDENT'S ENVOY

TEXAN WILL BE SENT TO MEXICO TO INTERVIEW LEADERS

To Make Clear Position of United States With Respect to Protection of Foreigners and Point out Necessity for Permanent Settlement of Affairs.

Washington, Feb. 10.—Duval West, former United States district attorney at San Antonio, Texas, was selected today to go to Mexico as the personal representative of President Wilson. Secretary Bryan announced Mr. West's selection. The mission is similar to that of Paul Fuller, who some time ago conferred with the various leaders and returned to this country with his reports. Mr. West carries no written instructions, but is commissioned to make general inquiries into the conditions, interview the principal leaders, including Carranza, Villa and Zapata and make clear to them the position of the United States government with respect to the protection of foreigners and their interests.

The length of time the president's envoy will spend in Mexico has not been determined, nor has any announcement been made as to whether he will see Carranza or Villa first. Eventually he will go to Mexico City, there to co-operate with the Brazilian minister who is caring for American interests, and Consul John R. Silliman. It is understood that while Mr. West will point out the growing necessity for a permanent settlement of affairs in Mexico, he does not take any plan or suggestion from the United States. He has lived a number of years in Mexico and is understood to be generally familiar with the situation in the southern republic.

After conference with President Wilson and Secretary Bryan Mr. West left tonight for his home in San Antonio, Texas, from which point he probably will go to Vera Cruz to talk with General Carranza.

News of the military situation in Mexico, reaching the state department today was brief, further reports of the defeat of the Carranza forces at Monterey were received with the information that about 1,000 wounded troops have been put on trains and sent from the scene of the battle to the border. Work on the fortifications around Tampico is proceeding energetically, according to a department telegram, in anticipation of an attack by Villa forces. The Gunboats Zaragoza and Libertad have arrived with additional Carranza troops from Vera Cruz.

Enrique C. Lorente, Washington representative of General Villa, received a telegram from the latter saying he personally had captured with his forces a station just in front of Guadalajara and expected to re-take the city from the Carranza forces within another day or two. As soon as this city is taken, Villa intends to concentrate on Tampico, planning not to move on Mexico City until the north is completely under his control.

In the meantime the famine conditions in Mexico City are growing serious.

UNITED STATES SENDS NOTES TO GREAT BRITAIN AND GERMANY

To Make Friendly Observations of Use by British Ships of Neutral Flags—Asks Germany What Steps Will be Taken to Identify Ships.

Washington, Feb. 10.—The United States government today sent a note to Great Britain to make friendly observations of the use by British ships of neutral flags and at the same time dispatched a communication to Germany inquiring what steps would be taken by German naval commanders to verify the identity of ships flying neutral flags in the recently proclaimed zones of war around England and Ireland.

While the Lusitania incident is not mentioned, the representations to Great Britain are based on the statement of the British foreign office justifying the use of neutral flags by her merchantmen to escape capture. The American government points out how frequent and continued use of this stratagem might cast doubt on the character of vessels really entitled to fly the American flag and produce dangers to which neutral ships ought not to be subjected on the high seas and in unblocked waters. In the note to Germany it is understood that the United States asked how the German admiralty proposed to carry out in practice its recent proclamation of a war on merchant ships and its warning that on account of the misuse of neutral flags by belligerent vessels neutral ships could not always be distinguished when an attack was made. The introduction of the submarine into warfare produces a situation not covered by any existing declaration of international law but the United States made it clear, it is understood, that an attack on a vessel flying the American flag without at first ascertaining definitely that such use was fictitious could not be viewed as gravely by the American government and bring about serious complications.

SCARLET FEVER SCARE CAUSES CLOSING OF DECATUR SCHOOLS

Lack of Attendance, Due to Fear of Infection, Prompts Order—Dr. Foster Says There is No Danger in Going to and From City.

Decatur, Ill., Feb. 10.—Because of lack of attendance, due to fear of scarlet fever infection, Decatur schools were ordered closed today by the board of education. Less than half the pupils were in attendance. The state board of health authorities desired to continue school sessions so as to make a systematic inspection of all children by physicians possible, but so few children attended school that this became impossible. Three warrants were issued today for persons violating the quarantine. Dr. I. A. Foster of the state board of health tonight said: "It is a mistaken idea that Decatur is under a general quarantine. There is absolutely no danger in coming to or going from the city. Decatur probably never will be quarantined. The situation here is not alarming and we are satisfied that it will be but a few weeks time until the present epidemic will be eliminated."

The basketball schedule of the high school was cancelled today by school authorities on account of the closing of the school.

WHITNEY WINS FROM WHITE.

Atlanta, Ga., Feb. 9.—Frank Whitney of Cedar Rapids, Iowa, won from Jack White of Chicago in the eighth round of a scheduled ten round boxing match here tonight when White's seconds refused to allow him to continue. Both men are lightweights.

SILAGE FOR HORSES AND MULES

There is little question but that corn silage can be used more extensively as a part of the ration for horses and mules. Horses have much smaller stomachs, proportionately, than have cattle, consequently they are not so well adapted to the consumption of large quantities of roughness but must have their food in somewhat more concentrated form.

The present knowledge of corn silage as a feed for horses and mules may be summed up as follows:

1. Corn silage is now being fed with success by a large number of horsemen and farmers to all classes of horses and mules.
2. Corn silage should always be fed in combination with other feeds.
3. Within the limits of its usefulness, it is a cheap substitute for hay and adds variety and succulence to the ration.
4. Silage is not a success except in the hands of a careful feeder with an eye to the thrift of the animal.
5. Under no circumstance should spoiled silage, either mouldy or rotten, be fed to horses or mules—Circular No. 72, Missouri Agricultural Experiment Station.

FORCE ADJOURNMENT OF LONG SENATE SESSION

OPPOSITION MAKES FATE OF SHIP BILL MORE UNCERTAIN

Leading Members of Both Houses Concede That an Extra Session Seems Inevitable—Administration Leaders Will Not Admit Cause is Lost.

Washington, Feb. 10.—Republican and Democratic senators who oppose the government ship purchase bill, aided by Senators Norris and Kenyon, Progressive Republicans, who have stood by the bill, forced an adjournment tonight of the longest continuous session in the history of the senate and made more uncertain than ever the fate of the measure which the administration has so urgently pressed upon congress.

Upon the adjournment after fifty-four hours and eleven minutes of continuous debate, leading members of both houses of congress conceded that an extra session to be called soon after March 4th, seemed inevitable. There were some, however, who still hoped that there yet might be time to dispose of appropriation bills and the ship purchase measure in some form before adjournment.

Adjournment came on a motion made by Senator O'Gorman, which prevailed 48 to 46, after Senator Norris, deploring the fatiguing filibuster, had proclaimed his conclusion that opponents of the ship purchase bill could filibuster it to its death.

Will Not Admit Cause is Lost. Disappointed over the loss of support from Progressive Republicans, but still hopeful that something yet could be done to save the bill, administration leaders of the senate would not admit tonight that the cause was lost. Anticipating a break in the senate President Wilson had been conferring throughout the day with house leaders on plans of getting the bill before the house and such a course may be taken though the senate Republicans insist that their fight will continue until the end of the session no matter what the administration forces may accomplish on the house side. Tomorrow the plan of administration leaders is to press Senator Fletcher's motion to satisfy Republican progressives. It is conceded to be probable, however, that this motion will be defeated and that Senator Clarke's motion to recommit the bill to the commerce committee with instructions subsequently will prevail. Senator Kenyon will vote for the latter motion and Senator Norris is expected to do also in view of his announced position tonight.

That would give the opposition a majority of one with every senator voting.

Seeks to Effect Compromise. Insurgent Democrats today, led by Senator Hardwick, sought to effect a compromise with their colleagues by which the party could be united in a renewed effort to pass the bill.

Chances for the success of this move could not be predicted tonight. The plan suggested is that the warring Democrats hold a conference after the recommitment of the bill. Some of the insurgents then would propose that the bill be amended to provide that the proposed government ship purchase enterprise should terminate at a stated period after the close of the European war and that purchase of interned ships of belligerents be absolutely prohibited. If the Democrats united on such a proposal it would drive away from the bill progressive Republicans who favor government ownership but on the other hand there is hope that it might stop the Republican filibuster against the measure. Some of the Democrats united on such a proposal it would drive away from the bill Progressive Republicans who favor government ownership but on the other hand there is hope that it might stop the Republican filibuster against the measure. Some of the Democrats united on such a proposal it would drive away from the bill Progressive Republicans who favor government ownership but on the other hand there is hope that it might stop the Republican filibuster against the measure.

Senator Fletcher, in charge of the bill for the administration, said tonight that the administration forces appeared to be defeated in their effort to recommit the bill with instructions. He added that tomorrow Senator Gore's motion to discharge the commerce committee from his substitute bill would be in order. Opposition senators however, insisted that such a motion would be defeated if pressed.

Study America in 1915.

Not enough Americans have yet learned to appreciate the immensity, variety, and charm of their own country. Millions of them have been learning perforce about the geography of Europe, Asia, and Africa during the past six months. It would not be amiss for them now to add the study of America to their course in political and physical geography. This will not be a good year for American travel in Europe. Only those should think of crossing the Atlantic who have clear and definite reasons of a responsible kind for approaching the fringes of the great war. Travel, however, is not only one of the greatest sources of pleasure, but one of the chief means of education; and it should always be encouraged. As many Americans as possible should resolve that they will know a great deal more about their own country at the end of the year 1915 than they knew at the beginning. They should take the idea seriously.—From "The Progress of the World," in the American Review for Reviews for February.

Plant More Acres.

"Plant every acre possible" is now the slogan which is being used extensively among farmers of the country, and special emphasis is being laid upon it here in Illinois. The general sentiment along this line is being felt locally, and the indications are that there will be a larger area of tilled land in Morgan county than ever before. One reason for this condition is the belief that the European war will cause a continuance of high prices for grain and still another reason is the general belief that the winter season gives indication of a good crop year.

The general theory is that a long period of cold weather and a goodly amount of snow are factors which enter into soil fertility, and that following such a season the ground is usually in a much more workable condition than otherwise is true, and that productiveness is greater in a corresponding degree. Those who make a study of weather records are also prophesying that after two years of such extremely dry weather that 1915 will surely have a plentiful supply of rain. All these things combine to give farmers additional heart and interest in crop matters for this year, and "plant more acres" is certainly a good slogan for Morgan county.

Eating Plain Bread.

While local bakers have not taken advantage of the high wheat market and increased the price of bread, if present or higher prices continue for an extended period an increase will certainly seem to be justifiable and certain. Mrs. Julian Heath, president of the Housewives' League of New York, suggests that in view of higher prices people should accustom themselves to the use of corn-bread, the price of corn meal not having shown any appreciable rise. She says also that much might be said as to the value and healthfulness of rye flour. These suggestions are good as long as they last, but as a matter of fact, continued high prices for wheat are expected a little later on to have a much stronger influence on the price of other grain than has been manifested up to this time.

One economist in writing on the subject recently commented upon the fact that a great many well-to-do families are in the habit of using corn and rye flour continuously, while many poorer families, where economy is more needed, continued to use wheat flour. It is said that there is really more nutriment in the rye flour and corn meal than in the white wheat flours, and talking about corn meal brings to mind that in other days the corn Johnny-cake was considered a special treat, although it was not costly to make.

Engineer Feustal's Interview.

Robert Feustal, chief engineer for the Illinois Public Utility commission, is a very competent and expert engineer, no doubt, but as a press agent for the commission he cannot qualify so well. The recent interview in a Peoria paper attributed to him has called forth quite a lot of criticism. In this interview Mr. Feustal is alleged to have told the Peorians that the facts about the Springfield municipal plant have been greatly garbled by Commissioner Spaulding, and that the cost per light was just about twice as much as Spaulding's figures indicated. The engineer went on to say that Spaulding would permit no one to have real access to the plant or the operating figures, and said a number of other things which were pleasing to a goodly number of Peoria citizens but just as displeasing to a number in Springfield.

Now the story comes from the capital city that Mr. Feustal has been asked to retract at least that part of the statement concerning the Springfield light plant. To the

unprejudiced mind, Mr. Feustal's statement was confusing, to say the least, for he told the Peoria people that they couldn't possibly have a successful municipal light plant and at the same time advised them to develop a municipal water plant. He did not go into any details in explaining why there was any reason to think that the city could use any better business judgment in managing a water plant than it could in lighting streets through a municipal plant.

What Do They Stand For?

A reader of the Journal has sent in a very suggestive list of questions for candidates, questions which are certainly pertinent and to the point and of great interest to the men and women who are asked to vote for candidates. This writer suggests that the public is more vitally interested in the principles for which men stand than any other facts about them and says:

"The candidates surely ought to give to the voters some idea as to their attitude with regard to several important issues that are before the people of the city. What about the Public Utilities question; the street car franchise; the electric light and water problem; the present anti-saloon law—even the maximum salary question. These are all pertinent questions for would-be city officials and of great interest to voters."

Five Patriotic Citizens Wanted.

Editor Journal:

Let us for a moment suppose that such a Utopian condition of things does exist in Jacksonville as that suggested by you in a recent editorial. Let us for the sake of argument assume that five men of the right stuff may be found, who are willing and able, pro bono publico, to undertake the work devolving upon our city council; five men of recognized business standing, who from genuine and unselfish interest in the welfare of our city are willing, practically without money compensation, to assume the responsibility of conducting its business and administering its government.

If such a group of men could be not only found and named as candidates, but elected to office, the advantage to our city would, to my mind, be undoubtedly great. We should have a saving of some \$8,000.00 per annum in salary; an acceptable item in the fiscal account of a city deeply in debt. We should have no "pledged" office appointments made for "work" at election time; no dollar a day voters in line for city "jobs;" consequently the best men available hired for each and every piece of work of which the city stood in need. We should have an honest administration of the city's funds; for there would be neither individuals nor corporations to "pay" for political support, and a council that, if it were out for the money, would not begin operations by refusing thirty or forty legitimate thousands. We should have a competent business management, for we have postulated business men of recognized standing. This would mean utilization of the city's resources up to the farthest possible limit, and the safeguarding of its interests from individual and corporation aggression. We should have a just and faithful execution of the laws, without fear or favor; no good salaries to lose by a recall; no effort to win the favor of various groups of voters against the next election. It must be clear to any careful student of municipal affairs, that the result of such an administration would be unquestionably good.

Now it is clear that if the five be found willing to give their services if wanted, they will themselves work neither for their own nomination nor election. They will be to use the familiar election phrase "in the hands of their friends." How about the citizens of Jacksonville? Are there a sufficient number of voters who want such a clean straight business administration? Who would even lay aside if need be individual interests and preferences and vote for such a group of men?

If so, let us go out and get them.
A Voter.

FUNERALS

Reed.

The funeral of Mrs. Horace Reed was held in Decatur Wednesday afternoon at 3 o'clock from the M. E. church. Favorite hymns of the deceased were sung, "Sweet Hour of Prayer," "Home of the Soul," "One Sweetly Solemn Thought," "Crossing the Bar." Prayer was offered by Rev. H. S. McDaniel and the services were in charge of Rev. E. M. Antrim of the First M. E. church of Decatur. The scripture reading was by Dr. J. R. Harker of Jacksonville, giving the last chapter of Proverbs. The sketch of Mrs. Reed prepared by Rev. S. H. Whitlock of Mattoon, a life long friend of the family, was read by Rev. C. B. Taylor of Urbana. Eulogies were made by Dr. W. H. Webster of Danville and Dr. E. M. Antrim.

There was a large number of ministers and their wives in attendance. Interment was made in Greenwood cemetery. The four surviving children were present, Rev. Clarence Reed of Palo Alto, Cal.; Mrs. Bertha Coffman of Missoula, Mont.; Mrs. Jessie Sanner of Decatur, and Miss Nellie Reed of Louisville, Kentucky.

Don't miss it. Musical entertainment, Short family. Brooklyn church tonight.

Dr. G. W. Miller, brother Silas of Missouri and Miss Roberta Miller, daughter of Silas, and Miss Marie Megginson, were all visitors in the city yesterday from Woodson.

EAGLES WILL ATTEND ALTON ANNIVERSARY.

At the regular meeting of Jacksonville Aerie, No. 509, Fraternal Order of Eagles, last evening final plans were made to attend the 11th anniversary service to be held by Alton Aerie, Sunday, Feb. 14. Judge Clark of St. Louis will be among the principle speakers and a prominent part will be taken in the program by both St. Louis and Jacksonville Aeries. Louis H. Engel and W. H. McCarthy of the local aerie, Worthy State President Wells of Peoria and Worthy State Vice-President Frank Correa will also be on the program. Teams from Alton and St. Louis will put on the work. According to word from Sec. Ben Winters of the Alton Aerie, the local Eagles may take with them their friends as guests of the Alton aerie.

Implements brought good prices.

John H. Smith, residing 2 1/2 miles south of Nortonville held a public sale Wednesday. There was a big crowd in attendance and everything sold well. Horses sold as follows: one pair horses, \$205, Robert Mutch; one bay mare to Mr. Gibson, \$138; one mare, \$120, to Ralph Dugger; one horse, \$127.50, to Jacob Mutch; one four year old horse, Robert Mutch, \$141; one bay horse coming three years old, \$120, Ralph Dix; one bay team \$270, seven years old, William Hicks; William Arnold, black mare coming six years old, \$126. Corn brought 72c per bushel; hay, \$4 to 91c per bushel. A few farming implements were sold and some harness.

Evan Spencer was auctioneer and Isaac Whitlock acted as clerk. The ladies of the Union Baptist church served lunch.

Don't miss it. Musical entertainment. Short family. Brooklyn church tonight.

VAG GETS TEN DAYS.

Thos. Rutherford, the man whom Deputy Sheriff George Stice picked up at Concord Tuesday evening, was brought before Squire W. T. Dyer yesterday. When arrested in Concord he was in a very drunken condition and did not come to until yesterday morning. He said that he came to this vicinity from Iowa and that he was an electrician looking for employment. He asserted that he paid his way on the train from Iowa to Roodhouse but beat his way to Beardstown. At the latter place he spent all the money he had for booze and the freight train crew discovered him sometime Tuesday on a south bound train and threw him off at Concord. He was charged with vagrancy and sent to jail for ten days.

ABLE TO RETURN HOME. Miss Beulah Kitner of Murrayville who has been ill at Our Savior's hospital for the past five weeks, was Wednesday able to return to her home. Her parents, Mr. and Mrs. Charles Kitner accompanied her.

KNIGHTS OF PYTHIAS WILL HEAR ANNIVERSARY SERMON SUNDAY

Rev. M. L. Pontius Will Address
Members of Both Lodges at Christian Church in Forenoon—Lincoln Sermon in Evening.

The Rev. M. L. Pontius will address the Pythians of Jacksonville at 10:45 Sunday morning in the annual anniversary service, which each year is held on a Sunday near Feb. 19, the date of the order's founding fifty-one years ago. The members of Jacksonville lodge No. 152 and Favorite Lodge No. 376 will march to the church and attend the service in a body. The church will be decorated with flowers and flags and there will be given a program of special music. This will also be "Peace Sunday" with the Knights of Pythias lodges. On account of the war in Europe and actuated by a desire to declare for peace, John G. Brown, the Supreme Chancellor, decided upon a peace day and set aside Sunday, Feb. 14 for that observance. In accord with custom the knights will each wear a carnation while attending the service.

The evening service at Central Christian church will be patriotic in nature and the pastor will speak concerning Lincoln. The music will be appropriate to the occasion as will the decorations. Mr. Pontius' theme will be "Lincoln: Lawyer, Statesman, Martyr."

POPULAR TOPIC THEME AT MEDICAL MEETING.

Dr. W. B. Holmes of Springfield will be the chief speaker this evening at the February meeting of the Morgan County Medical society when there will be considered the hoof and mouth disease epidemic. Dr. Charles E. Scott will lead the discussion and Dr. W. L. Frank will speak on the disease as affecting man. The interested public is invited to this gathering which will convene at 7:30 o'clock.

Mrs. Charles F. Allen of Waverly is visiting her mother, Mrs. J. T. Agnew on Jordan street.

FORD MEN BANQUET.

The local Ford agent, Charles N. Priest has received a picture taken at the recent banquet of Ford agents of the middle west in Chicago. The gathering was held at the Hotel Sherman and about 600 Ford agents were present. The picture taken was a flashlight and shows a very good likeness of our local agent.

Mr. Priest says that the banquet plans were on a very elaborate scale and nothing was overlooked which could add to the pleasure of the occasion. There was a high class vaudeville program and motion picture reels gave a story of how the work is carried on in the various departments of the great Ford factory. Announcement was made there of a plan the company will carry into effect this year which will result in quicker shipments of cars. Surplus stock will be placed in various depositories instead of being kept at the central factory. Shipments to Jacksonville can in this way be made from St. Louis.

State's Attorney Robert Tilton was detained at his home on South Kosciusko street, Wednesday, by illness.

Miss Virginia Spink who has been ill at her home on West Lafayette avenue, is considerably improved.

DRINK HOT TEA
FOR A BAD COLD

Get a small package of Hamburg Breast Tea, or as the German folks call it, "Hamburger Brust Tee" at any pharmacy. Take a teaspoonful of the tea, put a cup of boiling water upon it, pour through a sieve and drink a teacup full at any time. It is the most effective way to break a cold and cure grip, as it opens the pores, relieving congestion. Also loosens the bowels, thus breaking a cold at once.

It is inexpensive and entirely vegetable, therefore harmless.—Advertisement.

HIGH SCHOOL NEWS NOTES

Beginning Monday, with the new semester, a new course of study will be inaugurated at the high school. This will be in commercial law and will be taught by Superintendent Collins, assisted by Prof. Morrison. The text book that will be used in this course is "The Elements of Business Law", by Ernest W. Huffcut. This is a most excellent course of study and will be of a great deal of benefit to the young gentlemen especially. Full credit for this course will be given to graduates who later enter the University of Illinois. Recitations in this work will occur the first period after the noon hour. The work is a regular sophomore study but is open to any student of the school who cares to take it up.

A communication was received yesterday from President Rammekamp of Illinois College advising the school authorities that two scholarships would be given to the high school graduates making the highest marks in point of scholarship. This has been the custom of the college for a number of years and is a very commendable thing.

The local basketball team has been invited to take part in the annual basketball championship meet to be held this year in Evanston on March 11, 12 and 13th. The boys, however much they would like to go, are unable to compete in this tourney and are compelled to decline the invitation.

Another athletic event which the local boys will be forced through circumstances to turn down is the indoor interscholastic athletic meet to be held at Northwestern. This is the sixth annual meet of this character held at the big university and is scheduled for this year on March 26 and March 27th.

The annual district basketball tournaments will be held on Friday and Saturday, Feb. 26 and 27 and will be held in the following places with the following managers:

Rockford, Principal, C. A. Biggs.
Joliet, Principal, J. Stanley Brown.
Bloomington, Y. M. C. A., Physical Director, L. E. Eyer.
Jacksonville, Principal, Charles A. R. Stone.

Galesburg, Principal, A. R. Willis.
Charleston, Normal School, Physical Director, C. P. Lanty.
Centralla, Physical Director, Wm. McAndrews.

Last year when the meet was held here there were three days allowed for the playing of the games. There were nineteen teams entered last year for the three day tournament, while this year it is expected that the entry list will total eighteen teams with only two days in which to complete the tournament. It is needless to state that the two days will be packed full of action.

The following teams have sent in their entry blanks and have been duly entered for the fray by Principal Stone: Jacksonville, White Hall, Hillview, Griggsville, Lewis town, Carlinville, Granite City, Astoria, Mt. Sterling, Pittsfield, Alton and Carthage.

The following teams have signified their wish to enter the tournament and have been sent application blanks: Chandlerville, Pawnee, Springfield, Gillespie, Quincy and Athens.

The Jacksonville high school will do its utmost to make this the tournament of tournaments. The students say:

"As hosts upon this occasion, we most cordially invite every school in the district to be with us. We have lots of bread and lots of beds. Hospitality will be our watch word. Come one, come all; we shall be most glad to see you."

The January number of the Nautilus, the high school paper, has been issued and is up to the standard of the other editions of this live little sheet issued this school year. It contains among other interesting things, a good half tone flashlight picture of the new gymnasium, taken during the progress of a basketball game.

Yesterday the semi-annual examinations began and will continue today and tomorrow. These examinations mark the close of the first semester. The second semester will begin next Monday morning. All students who have made a average of ninety, or a degree of "excellent" are not required to take the examinations and are the only ones who are not extra busy just at this time.

The two classes in commercial arithmetic will be continued during the second semester. Those taking this course will thus be enabled to take the full line of work in this study.

Beginning with the next semester which starts Monday, the classes in sociology will be discontinued. One reason for this action by the school authorities is that the course in sociology is not given credit at the university of Illinois. The discontinuance of this course also enabled Principal Stone to inaugurate the course in commercial law.

During the next semester Principal Charles A. R. Stone will conduct a course of study on "Teaching the Common Branches". This course will be for the benefit of the seniors and upper classmen who wish to specialize in the teaching methods. Those who intend to teach either in the city schools, as substitutes, or in the country schools will find this course of study a very valuable one. This course will be heard at the last or seventh period of the day.

Tuesday at assembly hour Principal Stone took the opportunity to read something in regard to Lincoln, whose birthday we celebrate tomorrow. He read "The Counsel Assigned" by Mary R. S. Andrews. The reading occupied about thirty minutes' time but was very interesting and much appreciated by the students.

During the next semester the periods into which the high school day is divided will be of forty-five minutes duration instead of forty as heretofore. This is the usual length of a period in most of the standard high schools of the country and will enable the students to do more work in the course of a year's time, than at present. Five minute intervals between each period will be allowed for the dismissing and assembling of classes.

The daily assembly or chapel hour is now regularly held at 1:20 o'clock instead of at 8:45 a. m. as formerly. The meetings of the various school activities are held in the mornings from eight o'clock to 8:40. As school proper begins at 8:45 there is no time in the mornings for the various school activities of the students such as music, art, type-writing, etc. The chapel exercises are therefore held just after the noon hour at 1:20.

IN MEMORIAM MEMBERSHIP
PLANNED AT ILLINOIS COLLEGE

Names of Honored Alumni Suggested for Consideration.

Arthur D. Fairbank, as secretary-treasurer of the Alumni Association of Illinois college, has sent to members cards asking that they express their preferences for alumni trustees. Later on a list of the five securing the highest number of votes will be sent to the alumni and the final selection made. The election is to fill the place of J. F. Downing of Kansas City, whose time expires this year. In his letter Mr. Fairbank also calls the attention of the alumni to the policy of the association adopted at the last meeting whereby each year a recommendation will be made to the alumni for the establishment of "In Memoriam Memberships" in the Alumni Fund association, through an endowment of not less than \$100 in cash. The executive committee is instructed to select each year the names of alumni deceased whom they consider to be among the most distinguished graduates of the college. This year the committee suggests the following for consideration:

Richard Yates, of the class of 1835, war governor of Illinois.

Robert W. Patterson, of the class of 1837, clergyman and writer.

Newton Bateman, of the class of 1843, educator.

Edward Allen Tanner, of the class of 1857, third president of the college.

Joseph N. Carter, of the class of 1866, jurist.

Thomas J. C. Fagg, of the class of 1842, soldier and judge.

By the action of the alumni association taken last June in Memoriam Memberships were established for E. W. Blatchford '45; Paul Selby '53 and H. W. Johnston '79. These memberships were made possible through contributions from members of the association and friends of the alumni thus honored.

CENTRAL CHRISTIAN CHURCH WILL BUILD A PARSONAGE

Money From Bequests Will Make Possible Erection of Home For the Minister of the Church.

The congregation of Central Christian church have decided to erect a parsonage this year on the lot they own immediately east of Congregational church on West College avenue. Plans were prepared by C. W. Buckingham some time since and these with some modification will probably be the ones adopted.

It is also a satisfaction to know that the money is in hand for the purpose, the late Mrs. Nancy Henderson having left funds for that object and Mrs. Dewese added to the same so that now there is on hand something like \$6,000 for the work in view.

It is the intention to erect a building which will be of worthy architecture and at the same time embody all modern improvements. Work will probably be begun as soon as weather will permit, so that the building will be completed by fall.

The work will probably be under the special supervision of the church trustees, Messrs. John R. Loar, Fount J. Andrews, E. W. Brown, C. Riggs Taylor and George Huffaker.

Persons from various parts of the country yesterday reported the roads in quite good condition so that a few more days of pleasant weather would make traveling with road vehicles quite tolerable.

MOTHER! IF CHILD'S TONGUE IS COATED

If Cross, Feverish, Constipated,
Give "California Syrup of Figs."

A laxative today saves a sick child tomorrow. Children simply will not take the time from play to empty their bowels, which become clogged up with waste, liver gets sluggish; stomach sour.

Look at the tongue, mother! If coated, or your child is listless, cross, feverish, breath bad, restless, doesn't eat heartily, full of cold or has sore throat or any other children's ailment, give a teaspoonful of "California Syrup of Figs", then don't worry, because it is perfectly harmless, and in a few hours all this constipation poison, sour bile and fermenting waste will gently move out of the bowels, and you have a well, playful child again. A thorough "inside cleansing" is of times all that is necessary. It should be the first treatment given in any sickness.

Beware of counterfeit fig syrup. Ask your druggist for a 50-cent bottle of "California Syrup of Figs", which has full directions for babies, children of all ages and for grown-ups plainly printed on the bottle. Look carefully and see that it is made by the "California Fig Syrup Company."—adv.

OLD JACKSONVILLE

The Old Wabash Depot

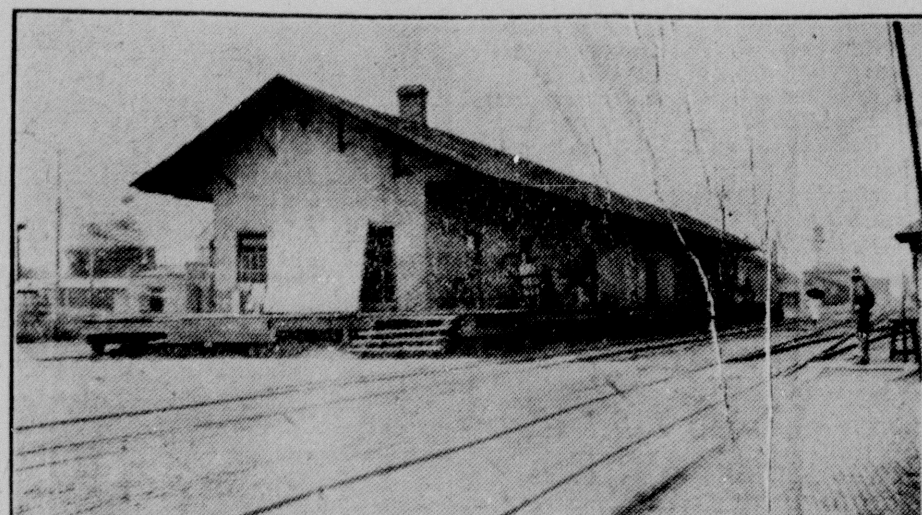

By Ensley Moore.

Member of Illinois State Historical Society.

No, it was not the "station". In the early days the "natives" would not be satisfied with such a simple name as station. It had to be something stronger, something more impressive. Not that they cared for French words then, but because so great a thing as a railroad must have an equally important stopping place, and it was a depot, pronounced "depo". The early travelers had

a door into a narrow passage-way, south of the women's room, as a means of ingress and egress for the ticket agent. A little later he also became the telegraph operator, and that office was for years our only place for sending telegrams. And Rice Smith never left it until the present station at Church street was built.

There he took his bride "Sis"

THE OLD WABASH STATION.
Part was erected in 1851 and an addition was made in 1856.

not enough care for foreign terms to attempt to refer to the station as a depo. It was depo, and that is all that is to be said about it.

The first depot was a building a few feet north of the west entrance into our "Square", or Central Park, as it is now called.

The Northern Cross railroad, when it came into town in 1839, ran from the northwest across the present high school lot, into State street and later on out East State street to Rock bridge.

The way the road happened to take that course on State street is thus described in a paper entitled "Recollections of the Northern Cross Railroad", read before the State Historical Society, some years ago, by Major Geo. M. McConnell, a native of this place.

"As surveyed by Engineer Bucklin under the official supervision of Commissioner McConnell (the state's representative in construction) the railway line passed the northern verge of the village of Jacksonville, precisely where the line of the Wabash now passes. But certain of Com. McConnell's townsmen insisted that this was because McConnell, 'owned property on that side of town', and they were highly indignant that he was thus benefitting himself. 'The whole town', they said, 'should be benefited by locating the road right through the middle of town, along State street and through the public square.'"

"Why bless you," said McConnell, "the engineers did not know I owned any property when they located the line. You can have it on State street if you wish and see how you like it."

That voracious chronicler, Eames, in his history, tells what happened when the first train came to town.

"Nearly all Morgan county had, according to accounts, assembled in the public square to witness the arrival of that wonderful first train. School children had been given a holiday and the daily labor was everywhere neglected except in the shops of the town.

The public square was filled with teams, and when the engine steamed into the square making all the noise possible, there was such a stampede of horses as was never heard of before, nearly every team breaking loose, and at least one-third of the vehicles in the county were broken, and many of the people were as much scared as the horses at the steaming monster as it rushed up into the square."

Nevertheless, the cars ran there until about 1849, when Major McConnell said: "The indignant citizens who thought they should share in a 'graft' that existed only in their imaginations, were glad enough to get the track back again after the sale to Ridgely, but none of them ever made public acknowledgment that the Commissioner and the engineers were in the right from the first."

The original line having been taken, a temporary building was used at first. It stood about where the west end of Snyder's ice plant now stands, fronting Lafayette avenue, at the south-east corner of North Sandy street.

According to Mr. Rice Smith, who entered the employ of the Sangamon and Morgan Railroad Co. as it had come to be, in 1851, the depot proper was opened in 1851. That is the one which was then built, its east end coming up almost to the west line of North Main street. This was about doubled in length and size by an addition made about 1856. It stood about where the present Wabash freight station now is.

This is the building referred to especially in this paper, and the east end was built of brick. The men's room was in the east end of the building, with a door into a passage way on the north. This hall had a door north to the station platform, and one west, into the women's room. South of the hallway, between the waiting rooms, was the ticket office, with a small window opening into each waiting room, and

Saunders, as they called here in old Kentucky, and the pair were wedded to the railway for many, many a year.

Mr. Smith became one of the longest continuous ticket agents in the United States, being retired in 1909. Mr. Smith died Oct. 13, 1910. A few years before his death the Wabash company gave a reception to Mr. and Mrs. Smith, at the end of a combined service of one hundred years. Mrs. Alice S. Smith was the first woman telegraph operator west of the Alleghenies.

According to Mr. Smith, Major Calvin W. McClain, who had been a conductor, was the first agent in the main street depot. E. S. Greenleaf was there a while, being succeeded by Major McClain again. Mr. Wm. N. Ross was agent about 1864. Then Greenleaf again. In 1866 John A. Baker was agent for a short time. J. F. Waterman and Major McClain again, followed. Then J. J. Milneisen had charge. The agents coming next are not recalled, but in August 1887, Mr. Walter L. Simpson, the present efficient agent took charge, and seems destined to rival as agent, Mr. Smith's long service as ticket agent.

This is the general history of the building and its officers as far as attainable, except that a new passenger station was opened at Church street about 1868, and the depot of 1851 gave place, a few years ago, to the present freight station of the Wabash company, a modern and up-to-date building.

But there is a history of the old Wabash depot, of unending interest and length, written in the heart and memories of all the older citizens of Jacksonville.

To it came first many an old settler of today, and, alighting, entered upon his or her life in the "Athens." Many a college student passed from the old depot to knowledge of books and of the world; many found here the road to prominence or greatness. Many, alas, went back to the old building the worse for their residence in Jacksonville.

Many a sweet girl debarked from her train on North Main street to enter the Academy or the M. F. college, and found both learning and love in her years of student life.

Many an afflicted citizen of Illinois came by that door into the charge of the state, to receive intellectual light; to read and articulate, or to spend years at the other institution.

These Lincoln and Douglas and Lovejoy and Yates and Palmer and Oglesby and others of our great men were met by admiring thousands. There our soldiers said their good-byes as they left for the war, and there sad friends met some of them and carried them to their last resting place.

PLAIN WRITING

Here's a simple rule—oh, heed it, as adown this world you tread—write your name so man can read it without standing on his head.

We all get so many letters bearing signatures so vile, that we fear our hair and sweaters when we ought to sing and smile! When you make your name a jumble or fool flourishes and twists, the receiver's apt to grumble, "He has jim-jams in his wrists!" If your pen's a chronic skidder, making flourishes like those, you should pause once and consider how on others you impose. For it sets their nerves a-jangle, conning crazy signatures, striving hard to disentangle calligraphic stunts like yours. And they say, "What nerve is his'n, that he thus takes up our time!" He should spend ten years in prison, for his writing is a crime! Some indulge in crazy writing, thinking that it's rather smart, but the reader's life it's blighting, and it breaks some weary heart. Men will cuss you fully, freely, if your signature's insane; do not try to write Greeley till you have a Greeley's brain.

"Tis the wink of an eye, the draft of a breath, from the gilded saloon to the chamber of death."

There, one day in 1863, Gen. John A. McClernand and his staff were welcomed to this city.

There, when war had ended, fond friends and proud neighbors welcomed the "Boys in Blue" home again.

Benjamin H. Grierson went from this place, unknown, in 1861, and to it he returned, a major general of volunteers, in 1865.

From that depot Richard Yates went, in 1861, to become governor of Illinois, and to it he came home, in 1865, a senator to the United States.

Think of those who came and went from the old depot silent forever!

Think of all the ways your life was affected through happenings at the old landing place, and say if it does not deserve recollection as a feature of Old Jacksonville?

FIRE BUGS DRIVEN OUT OF ILLINOIS.

States Not Having a Department Similar to the Illinois Fire Marshal Department Show an Alarming Increase in the Number of Fires and the Total Fire Losses.

That many of the organized bands of incendiaries which formerly operated in the State of Illinois are now conducting their nefarious business in other localities is conclusively proven by the alarming increase in fires and fire losses in those states not having Fire Marshal Departments.

The Chief of the Fire Department of St. Louis, Mo., in commenting upon the tremendous increase in the fire waste in that city, states that incendiaryism was the chief cause of this great increase, and this fact, he says, renders imperative the establishment of the office of Fire Marshal in that state.

The records of the St. Louis department show that there were 4,674 fires in that city during the year 1914, causing a total damage of \$2,927,211, as compared to \$1,176,111 in 1913, an increase of \$1,751,100, or approximately 150 per cent.

"We have reason to believe," said State Fire Marshal Walter H. Bennett, "that organized bands of fire bugs, some of whom formerly operated in Chicago and other cities in Illinois, are now operating in the city of St. Louis, as well as in other large cities of the west, and the Police department of St. Louis recently secured a confession from a former resident of Illinois who is now in St. Louis which lays bare the operations of one branch of this arson trust."

The total fire loss in the city of Chicago for the year 1914 was \$4,500,000, or a capita loss of \$1.83; and estimating the population of the city of St. Louis at 700,000, shows the per capita loss in that city to be \$1.13.

The campaign against the fire bug inaugurated in the State of Illinois by this Department, and so ably supported by the State's Attorneys of the various counties, is showing marked results in the lessening of the fire waste.

Mr. Farmer, Take Notice! THIS IS FOR YOU

Your wife can no doubt tell you of the big savings on purchases made at a dry goods sale. You can do as well or better at

BRADY BROS.' Big Fence Sale

In order to make room for our Spring stock, we want to reduce our present stock of field fencing quick. To do this we have made the price so low that you cannot afford to pass it up. You could not do better if you bought a car load, and yet you can buy as much or little as you want. Remember this is the

Kokomo Pioneer Square Mesh Fencing

one of the very best makes of fence. We have sold it for years and have never heard of a stay wire slipping or sliding on the line wires. The best wire is used and the galvanizing could not be better. It is not an old stock of rusty and shop worn fence, but is all clean and bright as any fence you can buy.

Here Are the Prices:

27 in. high, 6 in. stay, 22c rod
33 in. high, 6 in. stay, 26c rod
39 in. high, 6 in. stay, 29c rod
47 in. high, 6 in. stay, 34c rod

All the above have No. 9 top and bottom wires. The above prices will only be made until our present stock is exhausted, so place your order at once.

Physician's Prescription For Indigestion

Important For All Those Who Suffer After Eating.

If you suffer from indigestion after eating and find that instead of the one little pepsi or soda pill you used to take, it now needs two or three to stop it, it's time you called a halt and did some hard thinking.

The plain truth is that there are thousands of men and women in this country whose stomachs are dead or dying from lack of exercise while they themselves still live. They can't go on this way much longer. It's wonderful to think that powerful drugs compressed in a pill will even for a little while do the work of a human stomach. But no pill was ever made that could do it for long.

A dead stomach can't be brought to life but a slowly dying stomach can and must or its owner must soon follow. Years ago a famous physician wrote the prescription for Mi-o-na Stomach Tablets and thousands owe their very life to them today. Most stomach remedies work on the food and digest it. Mi-o-na works on the stomach and digests nothing. Mi-o-na Tablets strengthen the stomach walls, stimulate the stomach muscles and vitalize the stomach machinery into instant and normal action. The stomach starts at once to churn its food and normal, painless digestion follows. Coover and Shreve and many other leading druggists hereabouts sell Mi-o-na Tablets, agreeing to refund money in any case where it does not do these two things. First, in ten minutes give relief from heartburn, gas, belching, acidity, sour rising, etc. Second, in thirty days completely renovate, cleanse and strengthen the stomach so it can do its own work without aid of any kind. If your own druggist thinks this well of Mi-o-na you surely ought to try it.—Advertisement.

WOMEN'S WOES

Jacksonville Women Are Finding Relief At Last.

It does seem that women have more than a fair share of the aches and pains that afflict humanity; they must "keep up", must attend to duties in spite of constantly aching backs, or headaches, dizzy spells, bearing-down pains; they must stoop over when to stoop means torture. They must walk and bend and work with racking pains and many aches from kidney ills. Keeping the kidneys well has spared thousands of women much misery. Read of a remedy for kidneys only that is endorsed by people you know.

Mrs. J. H. Allen, 430 S. Main St., Jacksonville, says: "I can strongly recommend Doan's Kidney Pills, for they did me a world of good. Often I was so dizzy that I couldn't see and I also felt nervous. My kidneys were weak and I had backache. Doan's kidney pills fixed me up in good shape."

Price 50c. at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mrs. Allen had. Foster-Milburn Co., Props., Buffalo, N. Y.—Advertisement.

SICK, SOUR STOMACH, INDIGESTION OR GAS

"Pape's Diapepsin" Makes Upset Stomachs Feel Fine in Five Minutes.

Wonder what upset your stomach—which portion of the food did the damage—do you? Well, don't bother. If your stomach is in a revolt; if sour, gassy and upset, and what you just ate has fermented into stubborn lumps; head dizzy and aches; belch gases and acids and eructate undigested food; breath foul, tongue coated—just take a little Pape's Diapepsin and in five minutes you wonder what became of the indigestion and distress.

Millions of men and women today know that it is needless to have a bad stomach. A little Diapepsin occasionally keeps this delicate organ regulated and they eat their favorite foods without fear.

If your stomach doesn't take care of your liberal limit without rebellion; if your food is a damage instead of a help, remember the quickest, surest, most harmless relief is Pape's Diapepsin which costs only fifty cents for a large case at drug stores. It's truly wonderful—it digests food and sets things straight, so gently and easily that it is really astonishing. Please, for your sake, don't go on and on with a weak, disordered stomach; it's so unnecessary.—Advertisement.

OUCH! ACHING JOINTS, RUB RHEUMATIC PAIN

Rub Pain Right Out With Small Trial Bottle of Old "St. Jacob's Oil."

Rheumatism is "pain" only. (Not one case in fifty requires internal treatment. Stop drugging! Rub soothing, penetrating "St. Jacob's Oil" right into your sore, stiff, aching joints, and relief comes instantly. "St. Jacob's Oil" is a harmless rheumatism liniment which never disappoints and can not burn the skin.

Linger up! Quit complaining! Get a small trial bottle of old, honest "St. Jacob's Oil" at any drug store, and in just a moment you'll be free from rheumatic pain, soreness and stiffness. Don't suffer! Relief awaits you. "St. Jacob's Oil" is just as good for sciatica, neuralgia, lumbago, backache, sprains.—Advertisement.

SOCIETY OF CHRISTIAN ENDEAVOR ANNIVERSARY OBSERVED IN CITY

"Endeavor Week" Program at Central Christian Church Will Be Concluded By Social Gathering This Evening—Is 34 Years Old.

In February, 1881, the Society of Christian Endeavor was organized by Francis G. Clarke in the Williston avenue Congregational church of Portland, Me. After thirty-four years of existence the society numbers its adherents by hundreds of thousands and has representatives in every quarter of the globe. This week at Central Christian church was set aside for observance of this anniversary and a series of events arranged of which the last in order is a social gathering this evening.

Last evening the mid-week prayer service was led by a member of the C. E. society, Miss Fern Haigh. The subject of the meeting was "Studies on the Life of Jesus—His Strength," found in Mark 1-28. Sunday last Rev. Mr. Pontius preached on "Christian Endeavor Ideals" and Monday night there was a reception for the new members of the society.

The society members this evening will at first hold their monthly business session at which will be considered the Endeavor convention in Chicago next summer. The local society is hoping to send to this convention a large delegation. It will consist of three conventions in one: the Illinois, United States and International. The Central Christian church society is in a prosperous condition and the members have this week manifested a lively interest in the anniversary celebration.

RECALLS OTHER DAYS.

In a recent letter to the Journal, Henry P. Day, of Peoria, recalls earlier days in Jacksonville when as a young man he quite often did special work for the Journal. He says: "When I was a boy I was scorer for the Alert baseball club of Jacksonville. The grounds were near the old Wabash depot and I used to stop at the Journal office on Main street and give the paper the scores and reports of the game. In 1872 I wrote letters from Amherst which the Journal published, and I remember that in 1874 I was sent by the Journal down to Virden to report a Dunkards' camp-meeting. Afterward I was occasionally engaged for extra reportorial work, especially during commencement week. I knew well in those days Horace Chapin, George N. Loomis, S. W. Nichols, William L. Fay and others connected with the paper."

A WARNING TO STATE BANKS.

The following notice has been sent out by the state authorities: Auditor's Office, State of Illinois, Springfield.

[To the Officers and Directors of all state banks, State of Illinois: Gentlemen: Because the practice of paying checks which overdraw accounts is illegal as well as out of harmony with sound business principles, you are hereby advised that in the future this practice must be discontinued and you will so inform your customers.

This department is co-operating with the comptroller of the currency in this movement and for your information I beg to state that that official has issued similar instructions to national banks operating in Illinois.

You will please see to it that the foregoing instructions are complied with. Very respectfully, James J. Brady, Auditor Public Accounts.

QUARANTINE BOTHERS.

There is much complaint among farmers along the line of various railroads, especially the Burlington west of this city on account of the edict which forbids them to ship their hogs to St. Louis. That market is as good as Chicago or even better and freight is much less and several farmers in Scott county have porkers they are anxious to send to market while the animals are perfectly healthy. Just some trouble attack the swine before they are gotten away. All hope the embargo will soon be raised.

CITY HEALTH REPORT.

The report of Dr. A. M. King recently made to the city council shows that there were 41 burials in Jacksonville during the month of January. By wards these deaths were as follows: ten in first ward; four in second; six in third and twenty in the fourth. The large number in the fourth ward is always accounted for by the fact that Jacksonville state hospital is in 'his ward. The ages were as follows: 1 to 5, one; 5 to 20, two; 24 to 50, sixteen; 50 to 70, twelve; over 70, nine. The record for contagious diseases shows chicken pox, four; diphtheria, three; erysipelas, two; mumps, one, and measles, one.

CARD OF THANKS.

We desire to tender our sincere thanks to the friends and neighbors for beautiful flowers and many acts of kindly sympathy during the illness and after the death of our father, D. H. Taylor.

FRANCE MAKES RESULT OF INQUIRY PUBLIC.

States Attack on Ship Loaded With Refugees Was Only "the Murder of Inoffensive Individuals."

Paris, Feb. 10—(5:15 p. m.)—The French government today made public the result of the inquiry ordered by the minister of marine into the torpedoing of the French merchantman Admiral Ganteaume on October 26, 1914, and gave to representatives in Paris of the neutral powers copies of the memorandum. The vessel, when struck by a torpedo fired by a German submarine, had on board 2,600 refugees from Belgium and French coast towns.

The report says the attack was committed by a German submarine without daring to show its colors and without warning or stopping. It asserts that the attack was made on an undefended merchantman carrying women and children and old men who were refugees. The attack, it is contended, was without military or naval utility or strategy and was only "the murder of inoffensive individuals."

The report scores the methods of the German submarines and says the government of the republic believes it is acting in the common interests of the civilized world in bringing the facts to the attention of the other governments.

EUROPEAN WAR NOTES

Vienna, via London, Feb. 10—(9:32 p. m.)—The official statement issued by the government today says:

"The general situation in Poland and west Galicia remains unchanged. Fighting in the Carpathians continues."

"Bukowina, as far as Suczawa, has been cleared of the enemy."

Amsterdam, Holland, Feb. 10—via London—(8:35 p. m.)—With a view to preventing mistakes on the part of German submarines, the steamship Rotterdam of the Holland American line, will henceforth show her name painted on her bow in large letters and probably also will have her national colors painted on her sides.

Amsterdam, Holland, Feb. 10—via London—(8:30 p. m.)—The Frankfurter Zeitung in an editorial printed today says:

"Germany can continue to permit American corn to enter Great Britain if in its turn Great Britain places no impediment in the way of the importation of corn into Germany. If Germany is in position to control the overseas traffic to Great Britain then in our opinion she should make use of this control, to closely follow Great Britain's example."

Paris, Feb. 10—(10:40 p. m.)—The following official communication was issued by the war office this evening:

"During the night of Feb. 9-10, we blew up at LaBoisselle three series of mines and we succeeded in occupying the excavations thus made notwithstanding a counter-attack which we repulsed with the bayonet. "In the Argonne there has been artillery fire and the throwing of bombs on all sides, particularly in the region of Bolante and Bagatelle. According to the latest advices it is reported that the Germans have delivered a very violent but fruitless attack on the fortification of Marie Therez."

"In Lorraine at LaLisiere, east of the forest of Parroy and to the north of that forest our advance posts have easily repulsed an attack of the enemy."

"The minor action, reported in the communication issued at 3 o'clock to the northeast of Manonville ended in the pursuit of the Germans by our Hussars."

"In the Vosges at LaFontenelle (Ban-De-Sapt) an attack by the enemy has been checked."

PLAN BOULEVARD LIGHTS FOR SOUTH SANDY STREET.

Street Used at Night Frequently by Library Patrons—Cost Will Not Be Large For Property Owners.

Several movements have been made in the past for boulevard lamps on certain blocks, but for one reason or another the work has been postponed or abandoned. Now the proposition to put boulevard lamps on South Sandy street has taken on what seemingly is real life, and there seems to be but little doubt that in the course of the next two months that lamps will be installed and current furnished from the municipal plant. Sandy street is not well lighted, and it is used quite largely by patrons of the public library after the closing hour of the stores. If the library board is willing to co-operate and share a slight part of the expense it is practically a certainty that the plan will succeed. More light is needed near the entrance to the library, and this could be secured by the plan proposed. The total cost of equipment will not be more than \$1 a lineal foot, according to the estimate made by Commissioner Brennan, and subsequent maintenance would be at the expense of the city and there would be no charge for the current.

TO STOP HEADACHE

Headache usually comes from a sluggish liver and bowels. If you feel bilious, dizzy or tongue is coated and stomach sour, just get a 10-cent box of Cascarets to start your liver and bowels and your headaches will end.—Advertisement.

HOW TO MAKE THE CHEAPEST AND BEST COUGH REMEDY AT HOME

Most persons neglect a cough or much as would ordinarily cost from cold for the principal reason that they either don't think it serious enough to go to a doctor, or don't know what good medicine to buy at a drug store, with the result that the cough or cold becomes deep-seated through this neglect and might have otherwise been speedily cured, had Schiffmann's Concentrated Expectorant been used promptly.

This new remedy is altogether different from any other kind, and is so strongly concentrated that two ounces (50 cents' worth) make a full pint (16 ozs.) of excellent cough medicine, by simply mixing it at home with one pint of granulated sugar and 1-2 pint of water. It makes a whole family supply, as

WORLD'S MARKET NEWS

BEARS HAVE ADVANTAGE IN WHEAT MARKET; PRICE DROPS

Demands Voiced in Berlin That the
War Be Stopped Starts Sentiment
Against the Bulls—Some Recovery
Is Made Before Close.

Chicago, Feb. 10.—Bears had the
advantage in wheat today largely
because of demands voiced in Ber-
lin that the war be stopped. Clos-
ing prices were steady at 5½ to 5c
under last night. Corn finished ½
@ 5c to 5c, oats down ¼ @ 5c
to 5c and provisions varying from
2½c decline to a rise of 1½c.
Suggestions that peace moves
might develop with unlooked for
swiftness, carried just enough
weight to discourage wheat buyers
from becoming at all aggressive
and to induce a good deal of scat-
tered selling. Sentiment against
the bulls was increased by the
fact that quotations at Liverpool
had somewhat eased off and that
exporters on this side of the At-
lantic gave evidence of a desire for
at least a temporary breathing
spell. In this connection, there
were advices that terminal facili-
ties at Boston were being overbur-
dened.

Rapid decrease of interior stocks
led to something of a recovery in
the wheat market as the day wore
on. The falling off in the supply at
Minneapolis during last supply day
was announced as 750,000 bushels
and in Kansas City for two days as
524,000 bushels. It was predicted
that the cut for the week at Minne-
apolis would be a million bushels
and that there would be probably a
larger decrease than that at Kansas
City.

Corn weakened as a result of the
slowness of domestic and export de-
mand. Ex. bean bids at the sea-
board were bid to be two cents out
of line. Call for oats was not as
enthusiastic as on the preceding
day. Country offerings, notably in
Iowa, were said to be larger.

Severe Blood Troubles Vanish

With Magic Effect, Great Remedy Makes Disease Disappear.

At almost any drug store you may obtain S. S. S., the famous blood purifier, that makes all blood troubles vanish. Your stomach takes kindly to S. S. S., it rushes into your blood, is a purifying wave, makes the liver, kidneys, bladder and skin work in harmony. It stops accumulations that have caused rheumatism, catarrh, swollen glands, sore throat and skin eruptions.

Just as food makes blood, so does S. S. S. follow the process of digestion to stimulate natural secretions to protect us against the ravages of disease germs. We are well aware of the fact that these germs are apt to be latent within us to break forth in violent eruptions of the skin whenever the system is in a low state of resistance. And it is to both prevent these eruptions or to get rid of them that Nature gave us such an ally as S. S. S. It is purely vegetable, contains no mercury, and yet it overcomes those serious troubles for which mercury has been employed for ages. In every community are people who know this to be true. They owe to S. S. S. their recovery. Get a bottle today. Refuse all substitutes. Read the folder around the bottle that tells of the wonderful work being done by the medical department in assisting users of S. S. S. For a special box on blood troubles address The Swift Specific Co., 51 Swift Bldg., Atlanta, Ga.

OUCH! LUMBAGO?

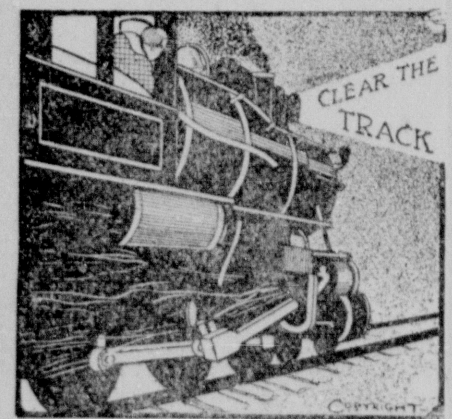

Try Musterole. See How Quickly It Relieves

You just rub MUSTEROLE in briskly, and usually the pain is gone—a delicious, soothing comfort comes to take its place. MUSTEROLE is a clean, white ointment, made with oil of mustard. Use it instead of mustard plaster. Will not blister.

Doctors and nurses use MUSTEROLE and recommend it to their patients.

They will gladly tell you what relief it gives from Sore Throat, Bronchitis, Croup, Stiff Neck, Asthma, Neuralgia, Congestion, Pleurisy, Rheumatism, Lumbago, Pains and Aches of the Back or Joints, Sprains, Sore Muscles, Bruises, Chills, Frosted Feet, Colds of the Chest (it often prevents Pneumonia).

At your druggist's, in 25c and 50c jars, and a special large hospital size for \$2.50. Be sure you get the genuine MUSTEROLE. Refuse imitations—get what you ask for. The Musterole Company, Cleveland, Ohio.

BETTER THAN CALOMEL

Thousands Have Discovered Dr. Edwards' Olive Tablets are a Harmless Substitute

Dr. Edwards' Olive Tablets—the substitute for calomel—are a mild but sure laxative, and their effect on the liver is almost instantaneous. They are the result of Dr. Edwards' determination not to treat liver and bowel complaints with calomel. His efforts to banish it brought out these little olive-colored tablets.

These pleasant little tablets do the good that calomel does but have no bad after effects. They don't injure the teeth like strong liquids or calomel. They take hold of the trouble and quickly correct it. Why cure the liver at the expense of the teeth? Calomel sometimes plays havoc with the gums. So do strong liquids.

It is best not to take calomel, but to let Dr. Edwards' Olive Tablets take its place. Most headaches, "biliousness" and that lary feeling come from constipation and a disordered liver. Take Dr. Edwards' Olive Tablets when you feel "floggy" and "heavy." Note how they "clear" clouded brain and how they "perk up" the spirits. At 15c and 25c per box. All druggists. The Olive Tablet Company, Columbus, O.

NATIONAL LEAGUE WINDS UP BUSINESS OF SCHEDULE MEETING

Adopt Playing Schedule and Change Waiver Rules—Mrs. Britton Addresses Meeting.

New York, Feb. 10.—Having adopted the playing schedule for the coming baseball season shortly after convening today, the National league club owners wound up the business of their annual schedule meeting tonight after a lengthy discussion on the new waiver rule. In future, when a club asks for waivers on a player there cannot be a withdrawal, nor can a club withdraw a claim for a player under a waiver. This was made a hard and fast rule today by a 6 to 2 vote, New York and Pittsburgh being the dissenting clubs. It was also decided that no manager can ask for waivers or claim a player. Such action in future must be taken personally by a club president. During the discussion on these points Mrs. Schnyer L. Britton, part owner of the St. Louis club, addressed the delegates. This was the first time that a woman has taken part in the debates of the baseball magnates. Mrs. Britton was warmly congratulated upon her familiarity with the waiver and draft clauses.

The league did not announce what action, if any, was taken in regard to the request of the International league to place a club in the Bronx-borough of this city.

TOPEKA TO RETAIN FRANCHISE; OWNERS DEMAND GUARANTEE

Five Thousand Dollars Must Be Placed in Hands of President O'Neill as Evidence of Good Faith—Expect Money Today.

Chicago, Feb. 10.—Topeka probably will retain its place in the Western league, but the club owners will not sanction the transfer of the franchise to George A. Benson until a guarantee of \$5,000 as an evidence of good faith has been placed in the hands of President O'Neill.

This was given out this afternoon at the conclusion of a session of the magnates who heard from Topeka that the old club directors and the bank which held a mortgage on the club's property had agreed to let Benson run the team. Benson, according to O'Neill, is cashier in the bank which holds the mortgage.

Attorney Sloan of Kansas City, who represented the bank at today's session here, informed the club owners that he expected the guarantee required would be here tomorrow. The magnates expect tomorrow to resume their schedule making. They have been waiting to be assured regarding the make-up of the league before deciding on a chart.

CANDIDATES FILE PETITIONS

The first candidates' petitions were filed Wednesday with City Clerk R. L. Pratt. Here are six of them, each one bearing a ten-cent revenue stamp, and the candidates who thus have insured that their names will be on the ballot at the election March 9th are Daniel Bahan, Frank Kaule, C. C. Berryman, Anthony Kennedy, William Newman and Edward Kastrup. The 20th of February will be the last day of filing, as the law requires that petitions must be in not later than fifteen days prior to the election. It so happens that the 21st will be fifteen days before the election, but as that date falls on Sunday, Feb. 20th will be the final limit for petition filing.

SOCIETY OF ILLINOISANS ON THE COAST

The Illinois Society of California was organized in Oakland, Cal., just about twelve years ago. Semi-monthly meetings have been held during most of that time and now the organization is seeking for associate members, residents of this state who expect to go to California for the Panama-Pacific exposition. Headquarters will be maintained in the Illinois state building and membership in the organization, which costs \$1 a year, will assure the visitors some special courtesies.

AN INCIDENT OF THE WAR

A comrade remarked yesterday to Archibald Norris, member of the famous 161st, that the war had been over almost fifty years. This naturally brought up reminiscences and Mr. Norris said:

"Fifty years ago today we were in Savannah and I do not recollect just what date we left the place. On our march northward we camped one night in North Carolina and our immediate command was in the vicinity of a fine country residence belonging to a man named Archibald Sheets which gave me reason to remember it. It was named by the owner, Myrtle Hill.

"It was the policy of our commanders not to permit any molestation of private property and as the place was near our company I was made corporal of a small squad to guard it and see that it was not harmed. The only member of the family at home was Mrs. Sheets and when our officers approached and asked her where her husband was she replied that he was in the Confederate army. She was a bright, intelligent lady without any of the bitterness which characterized so many southern women and she chatted pleasantly with our men. As the officers left they charged me to be sure to see that no one molested anything on the place and I replied that any such would have to walk over our dead bodies first.

"This very much pleased Mrs. Sheets and she told me that they had no children and if I would stay there she would see that I was well paid for it and would be cared for permanently. A large cedar tree was near by and it had a large, horizontal limb on it and I replied that when the Confederate soldiers came along and found me there they would be very apt to adorn that limb with my body and I hardly cared to be put to such use at present. She assured me that she would prevent any such performance and urged me to stay but I told her I had taken an oath to serve three years or during the war and I could not honorably desert from the army with which I was connected.

"I kept my squad till the army left and later to guard against stragglers and when the others became impatient, let them go on and I remained till I was sure there was no danger to the place. I have often wished I had kept the address of the family so as to correspond with them but I didn't and have not heard from them since that day."

It is only fair to Mr. Norris to say that he told the above story in conversation and did not know it would be used.

MADE MONEY IN WHEAT.

Grandview, Wash., Feb. 10.—Though Marvin Martin, a native of Perry, Ill., who came here about ten years ago from that little town, had already amassed a sizeable fortune in different lines, the remarkable rise in the price of wheat due to the European war has greatly augmented it for Martin was one of the lucky wheat growers who refused to sell but held onto his wheat to get bigger returns.

Martin in addition to his wheat and hay lands, owns a large feed and livery stable and runs an automobile stage between this town and Prosser, Wash., on the main line of the Northern Pacific, he being one of the pioneer automobile stage men in the Northwest. Martin is married and has three children.

WOMEN OF RUSSIA SUFFER HORRORS OF WAR

Mothers and Orphans Some on the Border and Others Here Feel Weight of Sorrow.

Petrograd, Feb. 4.—As the war continues the women on the border suffer the horrors of war and the mothers and orphans left at home are the ones who suffer most. In America are many mothers and daughters, who were left penniless by the war of the Rebellion, but their suffering are as nothing to the women and children left as widows and orphans of the soldiers who have fought and bled for their country in Europe.

Many a mother and daughter have reason to be thankful to Dr. Pierce for relief from suffering and the cure of those weaknesses of their sex, because of his "Favorite Prescription." This tonic, which is strictly a temperance medicine, has cured thousands of those weak-bachelors, which are the outward manifestations of disease in women. Dr. Pierce's Favorite Prescription speedsily causes all womanly troubles to disappear—compels the organs to properly perform their natural functions, corrects displacements, overcomes irregularities, removes pain and misery at certain times and brings back health and strength to nervous, irritable and exhausted women.

It is a wonderful prescription prepared only from nature's roots and herbs with no alcohol to falsely stimulate and no narcotics to wreck the nerves. It banishes pain, headache, backache, low spirits, hot flashes, dragging-down sensation, worry and sleeplessness surly and without loss of time.

What Dr. Pierce's Favorite Prescription has done for thousands it will do for you. It's not a secret remedy for its ingredients are printed on wrapper. Get it this very day at any medicine dealers in either liquid or tablet form.

Doctor Pierce's Pleasant Pellets regulate and invigorate stomach, liver and bowels. Sugar-coated, tiny granules, easy to take as candy. Adv.

FRIENDS MET AFTER MANY YEARS SEPARATION

Men Who Were Illinois College Students Fifty Years Ago Meet.

Fifty years ago this fall three boys, or young men, were students at Illinois college and at that time a firm friendship was formed and it has continued to the present day. The boys were George and Silas Miller of the vicinity of St. Charles, Missouri, and the writer. During the wonderful revival with which nearly all the churches in the city were blessed that year these young men took part and especially attended the student meetings in the college building before opening hours and the later ones in the little building on the grounds of the Westminster church.

After leaving college the young men went to their callings, George to the study of medicine, Silas to farming and the writer to the new business college of which he is the first graduate. George settled in Woodson and the writer remained in Jacksonville and during all the years they have all remained true to the friendship formed so long ago.

A few days since Silas landed at the home of his brother in Woodson. The Jacksonville member of the trio went there yesterday morning and the three had a very enjoyable forenoon talking over olden times. They were practically boys again and it was "George," "Silas" and "Sam" and all were imagining themselves sporting on the old campus again.

It made the local two feel a little bit older when a charming young lady entered the room and was introduced as the "baby" of the five children of Silas, and the oldest of whom would be forty years of age if he were living. Four daughters remain, the mother is dead and both the other two men are also finishing the journey of life alone. Silas is fortunate in having daughters who make him a good home and incidentally he remarked too that he had a grandson ten years old.

The meeting of the three friends was very pleasant and as all are in a fair state of health there is no reason why they should not have more reunions yet. Silas recalls a good many friends of those days and wanted to be remembered kindly to all whom he failed to meet while in the city.

POINT.

Douglas Hunt of Jerseyville was a guest last week at the home of Charles Middleton.

J. W. Wilson sold 70 head of hogs to James Mahon of Sinclair last week.

Miss Sadie Richardson and Grace Riley of Stafford, Kansas visited at the home of J. V. Richardson last week.

Clifford Wilson had the misfortune to find his face severely lacerated by a slowly revolving fan from the accident.

Miss Esther Vasey spent the week end at the home of her mother in Jacksonville.

Ernest Wilson of the J. H. S. spent Saturday and Sunday at his home in this neighborhood.

Mrs. John V. Richardson who recently fell and sustained a broken arm, is slowly recovering but still unable to use the member.

Miss Minnie Ebey of Winchester is a guest of her niece, Mrs. R. G. Vasey.

Mr. and Mrs. Herbert Mawson have returned from a visit with Mr. and Mrs. Fred Rigg of Elmwood, Ill.

Mrs. A. E. Richardson and daughter, Wilma attended the birthday anniversary of Mrs. Susannah Henderson of Litchberry last Saturday.

Miss Stella Shuff of Jacksonville spent several days with relatives in this vicinity last week.

Mr. and Mrs. Fred Tendick visited at the home of George Pahlman last Sunday.

The Woman's Foreign Missionary society held the regular meeting at the home of Mr. and Mrs. G. S. Richardson last Thursday afternoon. The regular missionary program was rendered and an interesting letter from Rev. and Mrs. W. S. Phillips of Cerro Gordo was read. An excellent supper was served to about eighty-five guests and the following literary program was well rendered:

Song—America.
Recitation—Gordon Vasey.
Recitation—Wilma Richardson.
Recitation—George Wilson.
Mixed Quartette—A Very Bad Cold.—Mrs. R. G. Vasey, Mrs. J. V. Richardson, J. W. Wilson and G. S. Richardson.

SAFE DEPOSIT BOXES

\$3.00 PER YEAR

Less than One Cent a Day.

There are hundreds of people in this vicinity who have become accustomed to using a tin box in which to keep their valuables, who by using one of our SAFE DEPOSIT BOXES will find they are safer, strictly private and more satisfactory in every way. It requires two keys to unlock the box. The customer has one and the Bank the other, which is the master key. If you should lose your key, and some one else should find it, it would do them no good, because it would require the master key, which we hold before the box could be opened.

There is no better or stronger vault in the United States, and the rate we pay on burglary insurance, which we carry, is the lowest in the country.

RAILROAD MEN WILL COME HERE FEB 18TH.

Will Spend Several Hours in the City to Tell Their Side of Petition for Higher Rates.

H. K. McEvoy, general agent for the passenger department of the Chicago & Alton railroad, was in Jacksonville Wednesday, and in company with D. C. Diltz, local agent for the company, interviewed officials of the chamber of commerce and various business men. Mr. McEvoy is a sort of advance agent for the railroad officials who are now touring Illinois in connection with their announced plan of going direct to the people with appeal and argument to show why the petition of the railroads for right to increase passenger fares from two to two and a half cents a mile is justified. Mr. McEvoy stated that the officials have thus far met with a most cordial reception in the cities visited, and that their idea is simply to spend a few hours with the business men and residents generally of Jacksonville, Thursday, Feb. 18, at which time they want to present facts relative to passenger traffic from the railroads' standpoint.

The managers of the railroads maintain that this is not a question of selfish interest and believe that when the people thoroughly understand the situation by first-hand presentation of the facts, that a sentiment will be created which will cause the legislature to give the desired relief. The railroads maintain, too, that the policy they have adopted of taking their cause before the court of the people should meet with popular approval to the same degree that the method of simply going before the legislature has occasionally, at least, in times past, resulted in criticism. Mr. McEvoy is not a stranger in Jacksonville, as he has been connected with the C. & A. for an extended period, and some years ago, when O. L. Hill was local agent for the Alton, Mr. McEvoy was a special guest here of the Elks and gave a program for their entertainment. He is a magician of some renown, and his program of magic occasions frequent calls to provide an evening's entertainment for traffic and social clubs.

nesday relative to the visit of the railroad officials to this city on Thursday, Feb. 18th.

Harry Clewer of the Chicago, Rock Island & Pacific railroad, who testified at Chicago Tuesday, before the board of arbitration which is considering the wage demands of the locomotive firemen and engineers, is a former Alton employe and some years ago was a well known engineer on this road.

Flagman Conway of the extra service on through passenger out of Chicago, has been granted a ninety day leave of absence and expects to depart in a few days for San Francisco to spend the remainder of the winter and early spring.

SOCIAL EVENTS.

James Gibson who resides southeast of Murrayville was given a happy surprise last night on the occasion of his birthday. A large number of neighbors and friends assembled at his home where an oyster supper was served together with all the good trimmings. Music and games afforded amusement until a late hour and many good wishes were extended Mr. Gibson by the departing guests.

The following were among those present: Mr. and Mrs. J. T. Mutch and children, Alma, Orville and Dewey; Mr. and Mrs. Frank Short and daughter, Iva; Mr. and Mrs. Chris Scroggins and son John Howard; Mr. and Mrs. John Langston and daughters, Marie, Alma and Alleen; Mr. and Mrs. Ira Story and children, Jeremiah, Gerald, Frances and Mary; Mr. and Mrs. John Maloney and children, Margaret, Loretta, Hilda, Lena, Francis, Robert and Leonard; Mr. and Mrs. Jesse Covington and children Stella and Roy; William Brown, Harvey Shipley, Elizabeth Douglas, Frank Ealy, Arthur Loneragan, Richard Loneragan, James, George and Francis McGrath, Miss Theresa Loneragan and Miss Martha McGrath.

The members of the Ladies' Aid society of the Literberry M. E. church were entertained Wednesday afternoon at the home of Mrs. G. A. Dunlap, southeast of Literberry, at a Martha Washington party.

After a business session was held by the society a most pleasant social time was enjoyed. In the cherry contest the prize was won by Mrs. Earl Rexroat, while in the hatchet contest Mrs. Oscar Petefish captured the award. Hand painted cards were given to each of those present as a souvenir of the occasion.

After enjoying substantial refreshments served by the hostess the members adjourned to meet Wednesday, March 10th at the home of Mrs. Verne Hull.

Among those present at the Dunlap home yesterday were: Mrs. Sarah Lindsey, Mrs. Harry Martin, Mrs. Verne Hull, Mrs. Oscar Petefish, Mrs. J. C. McMillen, Mrs. Lida Beavers, Mrs. J. M. Litter, Mrs. D. K. McCarty, Mrs. Earl Rexroat, Mrs. Lena Thompson, Mrs. Flora Thompson, Mrs. A. E. Obermeyer, Mrs. Linn, Mrs. Ethel Henderson, Mrs. Robert Beavers and Miss Ethel Sorrells.

The M. B. B. O. O. club met with Mrs. J. Mikesel at her home on East College avenue Wednesday afternoon. A special reading by Mrs. Louis Magill was much enjoyed. After the reading a contest was held in which Mrs. Phillip Braner won the first prize and Mrs. Phillip Schuitze, Jr., was awarded the consolation prize. Delicious refreshments were served by the hostess. The next meeting of the club will be held with Mrs. McLaren on East College avenue on February 24th.

The Ladies' Aid society of the Church of Our Savior met Wednesday afternoon with Mrs. Fred Bolton at her home on South Diamond street with a large attendance present. After the business hour the ladies were entertained socially. Among other things games were played and contests enjoyed. In the various guessing contests, Mrs. M. Kinney, Mrs. C. Harrigan and Mrs. Eugene Ketterling won prizes. The society then adjourned to meet April 7th with Mrs. Thomas Maloney on Hardin avenue.

The young ladies of the Elite club met for a pleasant evening Tuesday at the home of Miss Minnie Scott, 416 South Main street. The social hour which followed the business session was varied by music and games and by the serving of refreshments.

The Past Noble Grand of Jacksonville Rebekah Lodge No. 13 will meet with Mrs. Geo. Siegfried, 667 South East street, Thursday afternoon at 3:30.

The members of the Y. M. C. A. basketball team enjoyed an oyster supper yesterday evening at the Peacock Inn. Harry Walker, physical director at the association building and coach of the team, was host of the occasion.

Miss Elsie Wood of the cloak department of C. J. Deppe and Co., is attending the style show this week in Chicago.

Miss Irene Oxley was a visitor in the city yesterday from the Durbin neighborhood.

RAILROAD NOTES

Brakeman Arnett is Injured.

In trying to swing upon his caboose in the yards at Roodhouse, Brakeman A. O. Arnett of the car with Conductor Percey Filson, missed his hold, and fell heavily. Among other injuries, he received a badly sprained ankle, making it necessary for him to be out of service for several weeks.

Hussey Taken to Decatur.

P. J. Hussey, the Wabash brakeman, who recently fell from the top of a caboose and was so badly injured, was yesterday able to be removed from Our Savior's hospital and was taken to the Wabash Employe's hospital at Decatur. Dr. Simms of the Decatur hospital arrived in the city Tuesday night and took the injured man back on the 8:30 Wabash yesterday morning.

Ship Horses for French Army.

Another train of seventeen cars passed through Jacksonville last evening at 7:40 o'clock over the Alton carrying horses from Kansas City for the French army in Europe. The shipment left Kansas City yesterday morning at ten o'clock and was due in Bloomington at ten last night. Another train of twenty-two loads is scheduled to leave Kansas City at ten o'clock Friday morning, and is also due to run on a twelve hour schedule. In both cases the horses move over the Big Four from Bloomington to Covington, Ky., and thence over the C. & O. to Newport News, where they will be loaded for France.

Regarding Livestock Shipments.

The regulations governing shipments of livestock over the Alton were given another revision yesterday, due to some changes in the orders from the government and state agents. There has been so much contradiction in the methods of the state and federal authorities that it has become necessary to respect the directions of the federal agents only. Permits issued by state veterinarians are said to be no longer recognized by the railroads or live stock agents. Unless the federal inspectors issue a permit the Alton will not handle a car nor will the various stock yards permit the unloading. Superintendent S. P. Henderson has notified all Alton agents to the following effect: "Effective at once. Cattle, sheep or swine, originating in the free areas may be shipped into Illinois for any purpose when destined to points outside of the closed quarantine areas. This permits shipment of feeds from Missouri and other free sections, into the free, exposed and modified counties of Illinois without requiring permits of any description or restrictions other than such as prevail under normal conditions. Dairy or breeding stock may also be imported into the free, modified and exposed counties in Illinois from Missouri or other non-infected sections, if accompanied by regular certificate of health, including tuberculin test. You may advise shippers immediately."

An extra freight train west on the Wabash was delayed at Bluffs when the engine was derailed there. The east bound passenger train, due here at 2:13 a. m. was five hours late on account of the mishap.

H. K. McEvoy, general agent of the passenger department of the Chicago & Alton railroad was transacting business in Jacksonville Wed-

MISS SUSAN WILSON RUSSEL WEDS CHARLES E. IRLAM

Impressive Ceremony Took Place at Home of Bride's Parents Near Woodson—Nuptials of Ella Winters and Frank Ring.

Wednesday evening at seven o'clock at the pleasant home of Mr. and Mrs. Wm. G. Russel in Woodson, the wedding of their daughter, Miss Susan Wilson Russel, to Charles Edmund Irlam took place. The home was handsomely decorated for the occasion and everything pertaining to the ceremony was beautiful and impressive. The parlor was adorned with green and white while the sitting room was pretty in decorations of house plants, foliage and ferns and the dining room was attractive in the colors pink and white. The bride and groom were unattended and at the appointed hour they entered the parlor and stood under an arch of smiles. Miss Edith Colton most capably played as a prelude, "To a Wild Rose," by McDowell, "Trauerlied" by Schuman and "A Reverie" by Carrie Jacobs Bond. Then the bride's sister, Mrs. L. A. McKean of Toulon, most artistically rendered the memorable wedding march from Lohengrin as the couple took their places before the bride's uncle, Rev. James Russel of Blue Hill, Nebraska, who in an eloquent and impressive manner said the words that made the twain before him one.

The ring ceremony was used and was impressive in character. Congratulations were numerous and hearty for both young people are highly esteemed by a wide circle of acquaintances and friends.

The bride was tastefully arrayed in a neat habit of crepe meteor with chiffon and lace trimmings and looked charming. Her only ornament was a diamond pin, the gift of the groom.

Following the ceremony an elegant two course wedding supper was served which was a triumph of culinary skill and greatly enjoyed by the guests.

The bride is a daughter of Mr. and Mrs. William G. Russel and is a native of Woodson. She is a graduate of the Jacksonville high school and has also attended the state normal college at Normal. She is a young lady of many winning ways, rare accomplishments and popular where she is known.

The groom received his education in Woodson. He is a son of Mr. and Mrs. Thos. Irlam who reside a short distance south of Woodson and is a wide awake, upright, industrious and enterprising young man.

The young people repaired to their new home on a farm of the groom a little way south of Wood-

son and they begin life under happy auspices and with the cordial good wishes of a host of friends.

Among the guests from out of Woodson there were Mrs. L. A. McKean, a sister of the bride, and Little son, residents of Toulon, Ill.; Judge and Mrs. E. P. Kirby, Mrs. Sarah Riddle, Miss Hattie Phillips, Hon. and Mrs. Andrew Russel, Thomas and Misses Elizabeth, Isabel and Catherine Russel, and Miss Eunice Hopper, all of Jacksonville; Miss Mary Wright, Dr. and Mrs. J. W. T. Stewart of Franklin; Mr. and Mrs. Louis Watt, south of Jacksonville; R. A. Blimling of Chapin; Mr. and Mrs. John Irlam of Murrayville; Mr. and Mrs. C. D. Irlam of Midway; Mr. and Mrs. Allan Russel of the south part of the county.

A great many elegant and useful presents attested the esteem in which the young people are held.

Ring-Winters.
The marriage of Ellen Winters, daughter of Mr. and Mrs. Thomas Winters of Murrayville and Mr. Frank Ring, son of Mr. and Mrs. Wm. Ring residing east of Winchester, was solemnized Wednesday morning at nine o'clock in the St. Bartholomew church of Murrayville. Rev. Father Healey officiating. The attendants were Miss Katherine Ring, sister of the groom, and John Winters, brother of the bride. The bride wore a purple suit with hat to match and the bridemaid a blue suit and hat.

Following the marriage a wedding breakfast was served at the home of the bride's parents, the house being appropriately decorated with flowers and wedding bells. In cutting the wedding cake the ring went to Miss Elsie Palmer, the time to Coy Palmer and the darning needles to J. J. Loneragan and the bride.

Both young people come from well known families and will have the sincerest wishes of their many friends for a happy life. The groom is a farmer and they will reside three miles east of Murrayville.

Sheppard-Copley.
The marriage of Josiah Raymond Sheppard, son of Mr. and Mrs. Sylvester Sheppard of Murrayville, and Miss Mary Elizabeth Copley of Winchester was solemnized Wednesday evening at four o'clock at the home of Rev. George Murray in Winchester. The wedding was followed by a supper served at the home of the bride. A reception will be given at the home of the groom's parents this evening.

They will make their home on a farm belonging to John Conlee, near Waverly, after the first of March. Both young people have many friends who will wish them well.

Dodsworth-Rolsen.
Leslie R. Dodsworth of this city and Miss Minnie Rolsen of Murrayville were united in marriage by the

Rev. F. A. McCarty at his residence on West College avenue Wednesday afternoon at three o'clock. Only the immediate relatives and a few friends were present at the ceremony. The bride is the daughter of Mr. and Mrs. James Rolson of Murrayville. She wore a blue silk champagne gown and carried bride's roses. The groom is the son of Mrs. Milton Kelly on South West street and is a farmer by occupation.

Those witnessing the ceremony were Mrs. Kelly, Mr. and Mrs. Anthony Branom, Mrs. Cleary and Miss Sargent.

Mr. and Mrs. Dodsworth will be at home to their friends on a farm east of Franklin after March the first. They will have the best wishes of their many friends for a most successful and happy life.

Roehm-Wood.
A short time since Mrs. W. H. Wood, daughter of the late D. H. Taylor, was married to Bert Roehm of Kansas City.

The bride is well known to many in this city where she lived a good part of her life. She is a lady of culture and refinement and has a great many friends here and elsewhere.

The groom is a prosperous traveling man of the metropolis of west Missouri, where they will live

WINCHESTER

Sheriff Irvin Coultas and deputy W. L. Badshaw went to the district Wednesday, where they arrested William McCarty who it is charged has been helping run a saloon in that district the past three weeks. The man's partner made his escape a few days before. McCarty was landed in the county jail to await the action of the grand jury.

Edward Baisley was a business visitor in St. Louis yesterday.

Mrs. Charles Condit has returned from a visit in Beardstown. Clement Miner arrived Wednesday from South Carolina to visit at the home of his father, Dr. James Miner. He will shortly return to his home in Detroit, Mich.

Mrs. George Wills of Alsey was a visitor in Winchester Wednesday. Miss Jennie Dugan entertained eighteen friends recently in honor of Frank Jose of Newark, N. J. A bountiful supper was served at 7:30 and the remainder of the evening was spent with music and games and in all it was a very happy occasion.

The third degree was given by the Masons last night. Those from the White Hall lodge here were Alonzo Willis, J. H. Winters, R. S. Dickson, L. B. Ballow, R. T. Clark, J. G. Brooks, Guy Lowenstein, Dilroy Baldwin and H. E. Bogess. Mrs. Bogess accompanied her husband and they were guests at the home of R. H. Coultas and family.

MINISTERS AND LAYMEN TO MEET AT CENTENARY CHURCH

Members of Jacksonville District, Illinois Conference, to Assemble Mar. 8th and 9th—Bishop McDowell Among Speakers.

The annual meeting of the Jacksonville District Ministers and Laymen's association of the Methodist church will meet in Centenary church, Jacksonville, Mar. 8 and 9. The meeting will be of unusual interest this year on account of the large number of prominent men who will take part on the program.

Bishop McDowell needs no introduction to Jacksonville people; Dr. Edgar Blake, secretary board of Sunday schools, is one of the leaders in Sunday schools of America; Dr. W. S. Bovard is the enthusiastic leader of the Methodist Brotherhood; Dr. L. B. Trimble is the secretary of the commission on finance and one of the chief authors of the "New Financial Plan" which is being widely adopted by many churches; Dr. Harvey Reeves Calkins is author of a widely used text book in Young People's classes, "A Man and His Money". He is "Stewardship Secretary" of the Methodist church.

BOARD MEMBERS AND FACULTY WILL RECEIVE AT DAVID PRINCE SCHOOL

An invitation to all citizens of Jacksonville Extended to Witness Program and Inspect New Building Tomorrow Evening.

The members of the school board and the seventh and eighth grade faculty will serve as a reception committee tomorrow night at the David Prince School opening and May-George W. Davis, president of the board, will be chairman of the evening. Special notices have been sent to the parents of the children in the public schools, but the invitation is extended to all citizens of Jacksonville as well and it is hoped that a large number will be present to witness the program and inspect the new building.

The hours will be from seven until ten and the evening will begin with a tour of observation which will take in all parts of the new and modern structure. After this will be rendered a program in the course of which an address will be made by the Rev. L. H. Davis, pastor of Westminster church. After an intermission, during which a second opportunity will be afforded for inspection, gymnastic drills will be given in the gymnasium. Music will be furnished by the school orchestra and band.

ARTHUR SHATTUCK HERE FRIDAY NIGHT 8:15.

Single admission for concert of this great pianist may be had at Woman's college. Shattuck is one of the greatest American pianists. Telephone main office for reservation of seats.
